

Friends,

We would like to invite you to participate the Seventh Annual Seeds of Hope Golf Tournament sponsored by ARM Energy benefiting the Seeds of Hope Scholarship Foundation. This year our tournament will be held on Tuesday, October 24, 2017 at prestigious Bluejack National Golf Course.

River Pines Elementary and Lakeland Elementary are school-wide Title I campuses with approximately 800 students in pre-kindergarten through 5th grade located in Humble ISD. The student population is very diverse, resulting in 74% economically disadvantaged, 67% Hispanic, 23% African American, 43% Limited English Proficient, 6% White. Both schools are low income campuses that, unfortunately, result in higher student drop-out rates versus other local elementary schools. It is our passion to "Plant Seeds of Hope" for a bright future in all children who cross the threshold of both campuses. The funds raised through the Seeds of Hope Foundation will be used to directly support the scholarship fund specifically designed for River Pines and Lakeland Elementary school students. Each of the students attending these schools will have the opportunity to embrace a better future and a more enriched life with a full scholarship to a college or university.

We would be honored to have you or your organization partner with us by making a monetary donation or show your support by playing in the golf tournament. If you should choose to make a corporate donation, your logo will be displayed on tournament signage as a sponsor.

Donations should be sent to ARM Energy (20329 State Highway 249, 4th Floor, Houston, TX 77070) to Kristyn Todd's attention. You may also submit donations and sign up to play in the tournament on our website at www.armseedsofhope.org. Please feel free to contact us with questions at 281-655-3807 or at events@armenergy.com. We thank you for your consideration and support!

Sincerely,

A handwritten signature in dark ink, appearing to read "Zach Lee".

Zach Lee
CEO
ARM Energy
